**4. Comments and suggestions for the teaching assistant**

- Juan Carlos was a really good TA. He was particularly friendly and helpful during the week where we were working on the computational homework. I am so grateful to him for all he has done.
- :)
- I liked how the TA described the steps as students were writing answers on the board, as well as providing intuition at the end of the problems.
- Keep doing like this Juan Carlos!
- The best TA we have had so far. Always approachable, and always helpful.
- He is really helpful. He answers all our questions and spare a lot of time for our questions
- Juan Carlos is just a great TA: always available and extremely helpful
- Clear in explanations and supportive, great TA
- Much passion, great!
- Excellent
